Re: Johnson v. Holmes
Hubbard v. Holmes
Civil Action 3:16-cv-00016

Dear Judge Moon:

We have completed discovery on the question of the meaning of “citations” as that term appears in the table marked Dkt. 49, Ex. 9. I have deposed the person within the Albemarle Police Department who requested the preparation of the chart and the crime analyst who prepared the report.

I am requesting that the Court set deadlines for supplemental memos to take account of the above discovery.

Respectfully submitted,

Jeffrey E. Fogel
Attorney for Plaintiffs
